

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBa0151/P1dn
RCT&MGG:kjf:jm

February 25, 2013

Jeff Burandt:

In order to give DNR discretion over whether to issue water withdrawal permits, it is also necessary to change the “shall” in s. 295.61 (4) (a) to “may.” I also changed s. 295.61 (4) (bn) so that DNR is not required to determine which measures must be implemented if it does not issue the permit.

Please contact me with any questions or redraft instructions.

I changed “shall” to “may” twice in s. 295.60 (6) (a) and once in s. 295.60 (6) (b). Please review.
